Cutting Day

This is an excellent opportunity to exchange cuttings and plants. All Monterey Peninsula gardening buffs are invited to this popular event to exchange softwood cutting materials, seedling plants, bulbs, potted plants, etc. The Parks Division will have free seedling trees available for the public. Participants are encouraged to bring cuttings and plants for the exchanges. This year marks the 61st Annual Cutting Day. Come join our community effort. For further information, call the Parks Division at 646-3860.

For all ages.
