

Gymnastics

Gymnastics for Children: Classes are offered for walking toddlers through school-aged children at all levels of skill. Instruction is offered on the vault, bars, balance beam, mini-trampoline and tumbling. In addition to teaching gymnastics skills and techniques, this program provides a holistic and experiential approach to learning with the focus on fitness, social skills and building friendships versus competition. Our vision is to create an environment devoted to self-exploration through movement. Children are nurtured to foster their self-esteem and realize a sense of pride and trust in their ability to move through their lives in a physical and adventurous way. All classes are structured to ensure a fun, creative and playful experience.

APPROPRIATE ATTIRE: Students may wear any of the following clothing: leotard, footless tights, shorts, sweats, leggings, t-shirts (tucked in), bare feet. Please tie up long hair and pull back hair that falls in the face. Avoid plastic hair bands and clips.

Please do NOT wear jewelry, jeans, dresses, baggy t-shirts, zippers, belts, buttons, etc.

All gymnastic classes are now available for online registration. Intermediate Gymnastics for Kids requires instructor permission.

Gymnastics for Toddlers-Parent Participation

Songs, movement games and beginning gymnastics skills are offered. The building blocks of coordination, balance and kinesthetic awareness are explored as the parent engages with their child in this class. The younger class offers free exploration with suggestions and guidance. The older class begins with circle time and then parent and child move through a structured obstacle course together. Classes are one parent per one child ratio.

For ages Walking through 2½ years.
