

FUND FINANCIAL STATEMENTS

GASB 34 revised the format of the Fund Financial Statements so that only individual major funds are presented, while non-major funds are combined in a single column. Major funds are defined generally as having significant activities or balances in the current year. No distinction is made between Fund types and the practice of combining like funds and presenting their totals in separate columns (Combined Financial Statements) has been discontinued, along with the use of the General Fixed Assets and General Long-term Debt Account Groups.

MAJOR GOVERNMENTAL FUNDS

The funds described below were determined to be Major Funds. Individual non-major funds may be found in the Supplemental section.

GENERAL FUND

The **General Fund** is the primary operating fund of the City. It is used to account for all financial resources except those required to be accounted for in another fund. The major revenue sources of this fund include property tax, sales tax, transient occupancy tax, business license tax, utility users tax and charges for services. These revenues support the general operations of the City, which include police, fire, street maintenance, parks, recreation, planning and general government. In addition, the General Fund finances many capital improvements each year.

CAPITAL PROJECTS FUND

The **Capital Projects Fund** is used to account for financial resources to be used for the acquisition or construction of major capital facilities (other than those financed by proprietary fund types). The City maintains one Capital Projects Fund, which is shown on the Combined Balance Sheet and the Combined Statement of Revenues, Expenditures and Changes in Fund Balances.

DEBT SERVICE FUND

The **Debt Service Fund** is used to account for the financial resources to be used for the payment of principal and interest on long-term obligations. The City maintains one Debt Service Fund, which is shown on the Combined Balance Sheet and the Combined Statement of Revenues, Expenditures and Changes in Fund Balances.
