**Halloween Safety Necklaces**

The Monterey Police Department will once again provide glow in the dark necklaces for any and all trick-or-treaters.

The Monterey Volunteers in Policing will distribute the necklaces in front of the police station from 4:00 PM to 7:00 PM on Halloween, October 31, 2009. Patrol officers will also have necklaces to give children they see in the neighborhoods during the day and early evening.

The necklaces are a longstanding tradition at the Monterey Police Department. The officers enjoy handing them out as much as the kids enjoy receiving them.

The Monterey Police Department is proud to support the community and pledges to continue our efforts to keep your neighborhoods and children safe.

If you have any questions, please contact Officer Jeff Reiland at (831)646-3819.
